effective 3/26/19

City Treehouse is an award-winning indoor playspace located in the heart of New York City. We are dedicated to providing opportunities for learning through play. Our facility offers drop-in play, classes, and parties for children 3 months-8 years old. Our playspace features the largest water play area in the city and provides wonderful stimulus for learning and motor skill development. Kids everywhere love getting wet. We suggest that visitors bring a change of clothes and water shoes since no street shoes are allowed in the play area.
